

INTEGRATED FIBER STRIPPER & CLEAVER

VERSATILE FIGHTER

PRODUCT MANUAL

MC-16

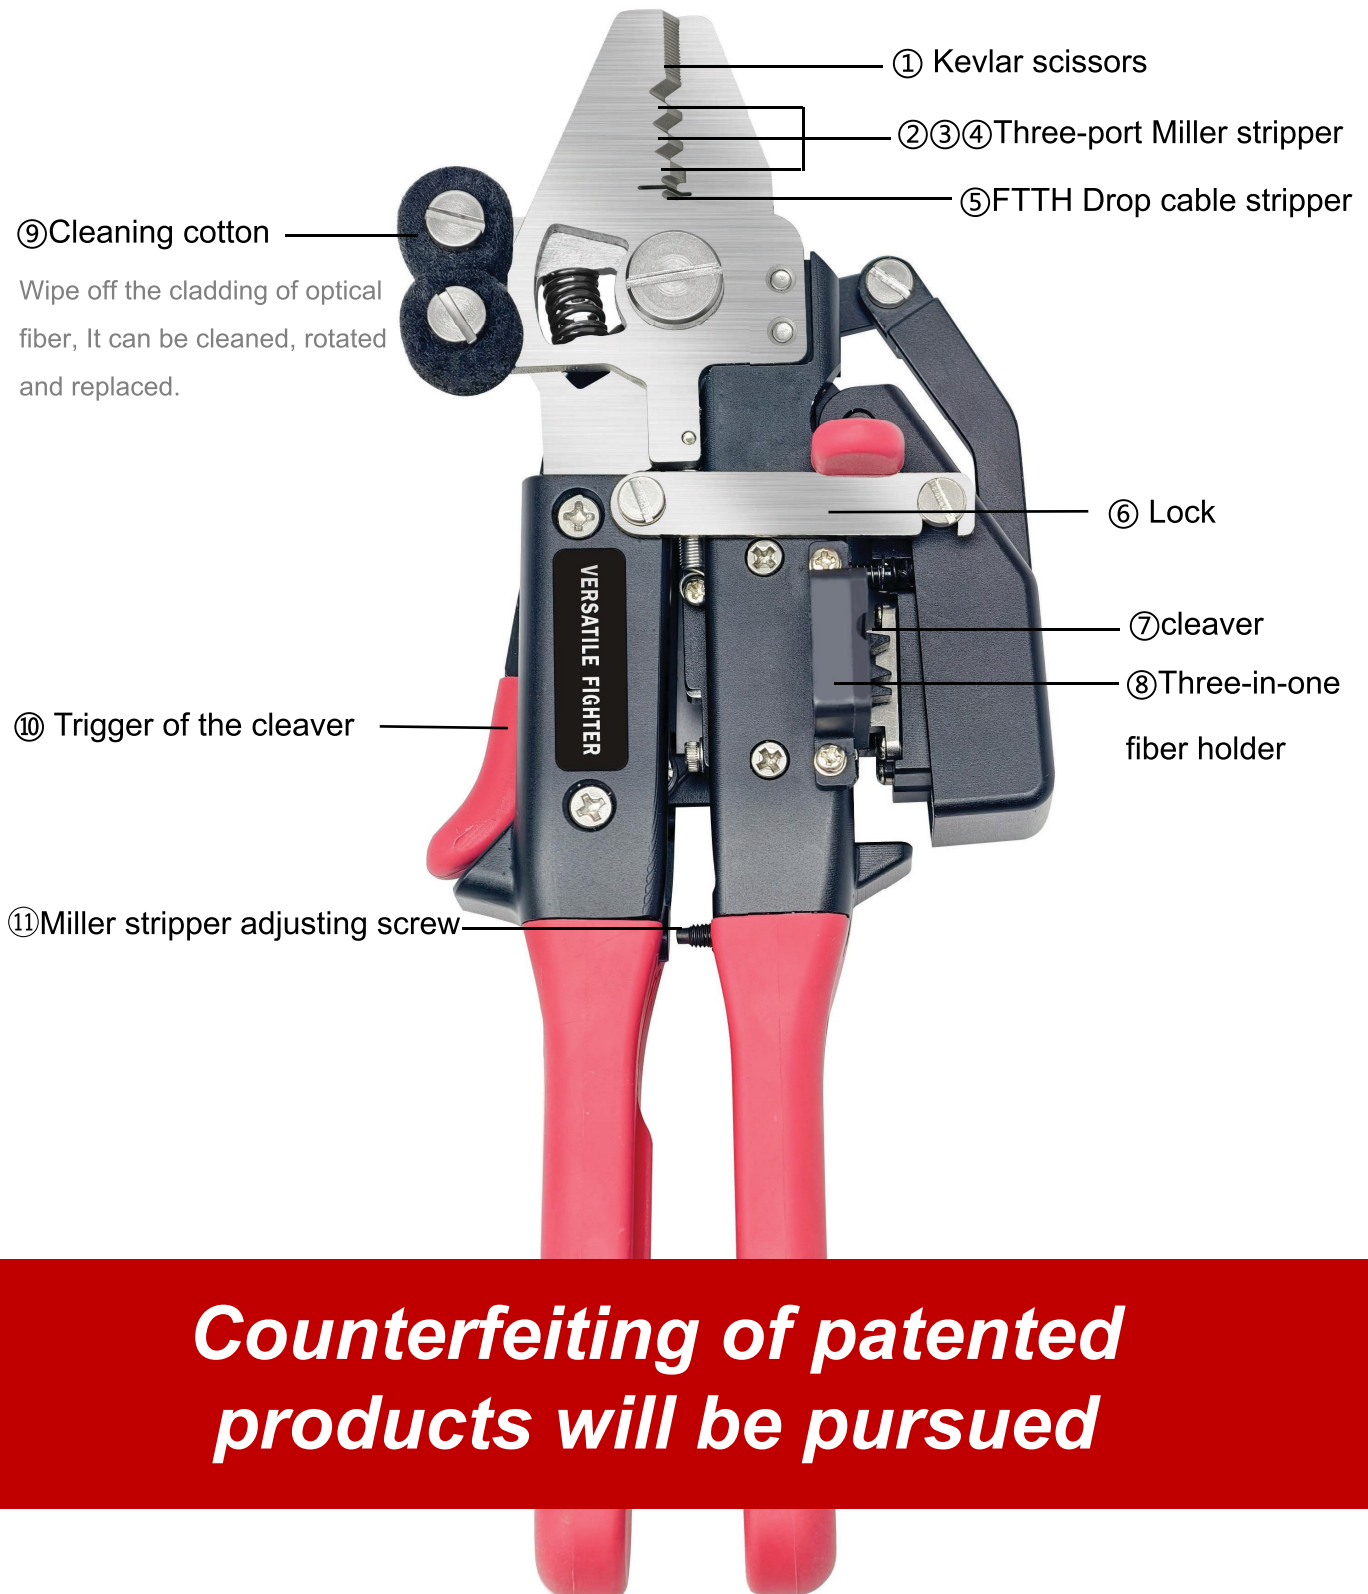

A masterpiece of craftsmanship, only because of professionalism, only because we understand you

This is a multi-functional optical fiber stripper and also a high-quality one-step optical fiber cleaver, designed to minimize carrying and multiply your work efficiency. It also avoids omissions and losses caused by the wide variety of tools. We need to ensure the smoothness of a single function, avoid the influence between structures, and also take into account volume and weight. Now, through our unremitting efforts, this fiber optic cutting and stripping integrated cleaver, which contains multiple patents, is officially ready for your appreciation!

Who else but me can be the king of efficiency

Stripping, cleaning fiber, Kevlar cutting and cleaving of optical fibers are all done in one without changing hands.

Counterfeiting of patented products will be pursued

This is a high-quality and high-precision optical fiber cleaver

Not just multi-functionality, not just efficiency

Average cutting angle: about 0.8°

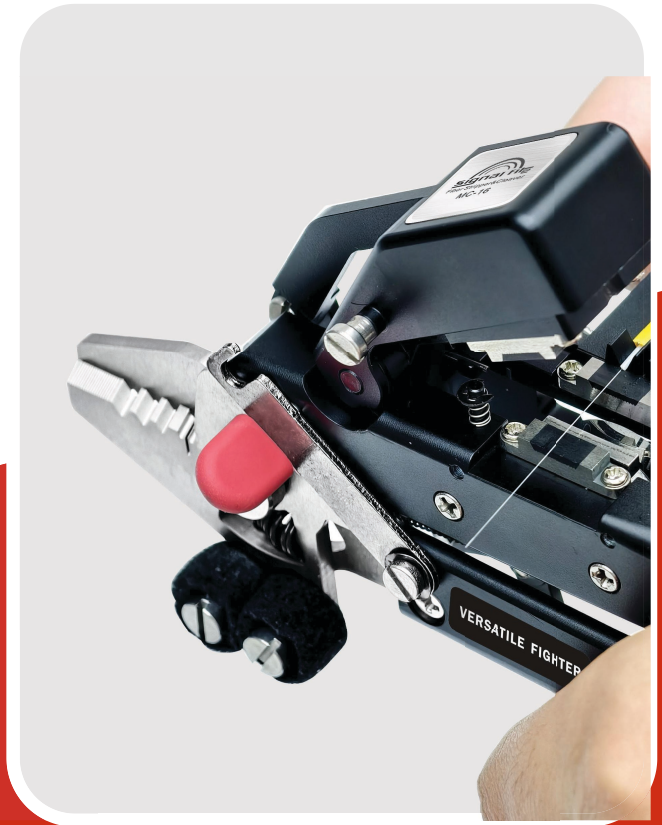

Blade life: about 48,000 times

High-hardness tungsten steel blades

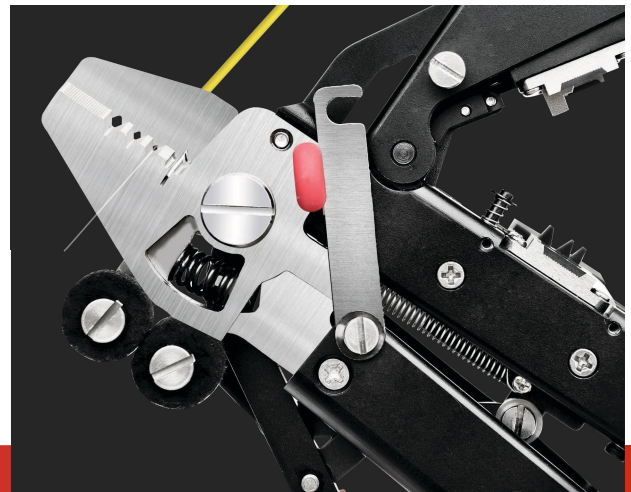

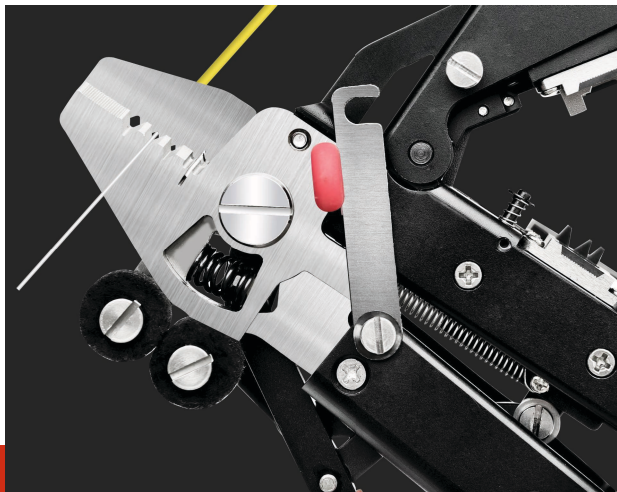

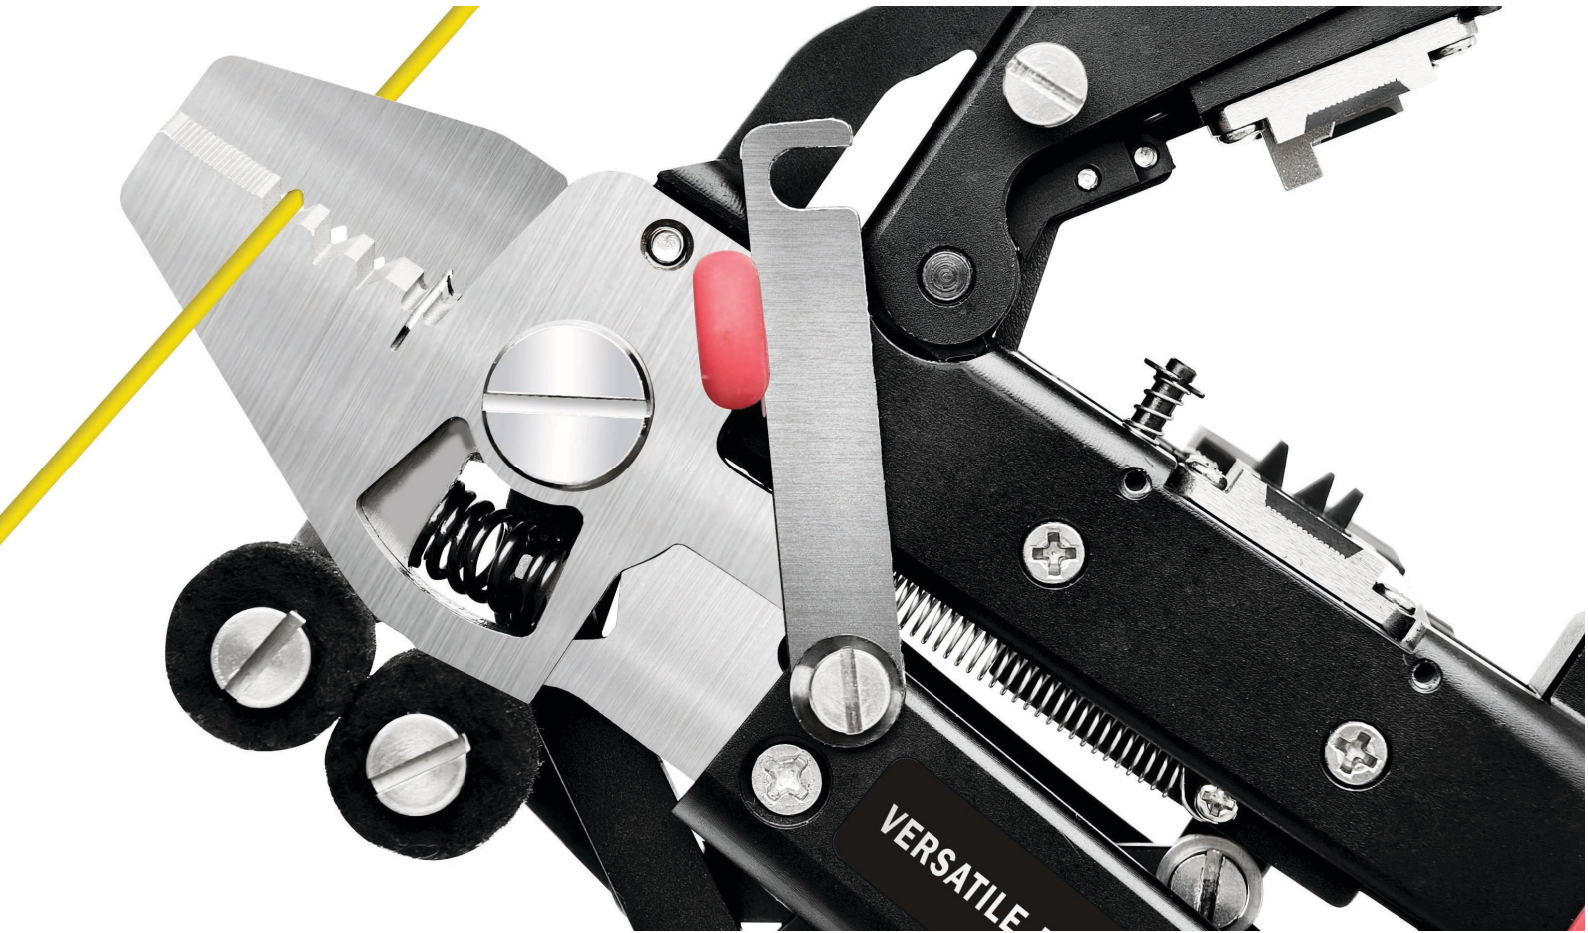

High hardness and wear resistance

It is suitable for both the left and right hands

The fiber holder can be disassembled and replaced according to the usage habits of the left or right hands

Three-port Miller Stripper

FTTH Drop Cable Stripper

Diameter: 3mm x 2mm

Kevlar fiber special scissors

Military grade stainless steel clamp body

⚠ Do not cut steel wires or other materials,
otherwise it may damage the jaws

Comes with cleaning cotton

Press and dip alcohol

Wipe off the cladding of optical fiber
It can be cleaned, rotated and replaced

Configure anti fall rope

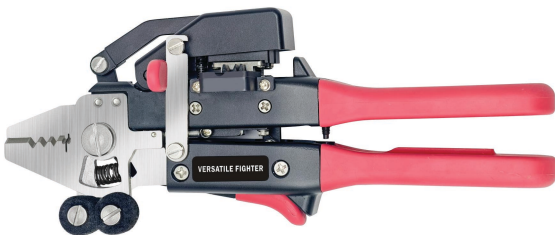

Prevent accidental falls

Work at height without worries

Packaging, size and weight

All products are measured manually, so there may be slight errors. Please refer to the actual items

Stripper size: 192mmx78mmx43 mm
Stripper weight: 285g

Outer packaging size: 211mmx99mmx51mm
Total weight: 430g
